SPLASH PAD

Planning for a
FUN Future!

To be located on **West Otis Street - across from Wescott Park**

Fun for all ages and abilities

Help make this project a reality!

Dear Walcott Community Members,
This brochure is being sent to you on behalf of the City of Walcott's Splash Pad Committee. The Splash Pad Project originated with the 2012 Downtown Assessment Program that was done by a team of consultants with the Iowa Economic Development Department and hosted by the Walcott Vision Committee. After holding an open, public meeting, a splash pad was identified as a top recreational priority for both adults and youngsters.

The Splash Pad Project is still in the planning phase, but an engineer has been hired and a concept drawing has been prepared. The project is planned to include benches, a shelter, and parking, in addition to the actual splash pad. The reconstruction of West Otis Street, adjacent to the

splash pad area, is also under consideration.

To date, we have \$29,000 donated towards this project and the Committee is in the process of determining additional fundraising measures. The project is estimated to cost \$175,000. The Committee intends to raise the balance of the funds through fundraisers and grants.

We are asking you to please consider a donation towards this worthwhile project. Our community is eager to see this project become a reality and you can be a part of that excitement by supporting our youth with a donation.

Sincerely,
Splash Pad Committee
