NEW MEMBER - TRAVELS BY BRENDA ARP

Brenda was looking forward to retiring and spending more time as Mom, Grandma, and in her flower garden. She didn't realize how difficult it would be to say "good bye" to her clients whom have now become "friends and family" to her. AAA offered her the opportunity to become an AAA Independent Agent working out of her home. This seemed like the perfect compromise for an agent with 17 years of travel counseling. She will specialize in cruises, tours and Disney Products.

Brenda has cruised 26 times, experiencing 11 different cruise lines. The majority has been in the Caribbean but she also has cruised to Alaska 2 times, once around the Hawaiian Islands, and most recently a European River Cruise.

She recently has toured Germany, Switzerland, and Ireland. She also experienced a trip across Canada.

Brenda is a huge Disney fan and is a Disney College of Knowledge Graduate. She is currently enrolled in the Advanced Disney College Program as many changes have been introduced in the Disney products in the last 6 months. Although she has been to Disney World many times, she will be traveling there twice a year to further her education and experience the recent updates.

Brenda has also completed destination training programs for Alaska and Hawaii. She has received many sales awards with AAA. She is most proud of being featured in the AAA Living Magazine in July of 2011. She was honored as the "Go With A Pro" specialist for Senior Travelers.

Brenda hopes to retain many of her past clients, but also hopes to extend her services to residents in Walcott, Durant, Blue Grass, and other surrounding areas. Her contact number is 563-284-5111. Her email address is travelsbybrenda@yahoo.com.

Membership in AAA is not required, but many vendors offer additional discounts or amenities for members. Brenda can honor all promotions offered to AAA members.

Brenda was raised in Davenport but has been active in local organizations and/or has lived in Walcott for 38 years. She is a charter member of both Walcott Women and Beta Sigma Phi Sorority and has been active on the Walcott Day Committee. She joined the Walcott Chamber as she feels it is important to give back to the community.

Brenda has two sons Kurt and Kyle, his wife Leah and grandson Charlie. Both children also live in the Walcott area. Her hobbies include flower gardening, landscaping, decorating for the holidays, dancing and of course traveling.

WALCOTT LIBRARY

Mark your calendars now! A retirement open house for Debbie Jacobs, Walcott's long-time librarian will be Saturday, March 15, from 11 A.M.-1 P.M. at the library at 207 S. Main St. You can stop in to wish her well and to have some refreshments.

It's been a long, cold winter already! The most common comment people make when they come in is how tired they are of winter. The library has many DVDs of films and TV series, books on CD, magazines, and books to help pass the long, cold winter evenings. It only takes a few minutes to stop in to pick up materials, or you can call or bring a list of materials you would like ordered for you to pick up in a week or so.

In February we will give you a chance to win one of five gift bags. Each time you visit the library to use the Internet or check something out, you will be given a ticket to put in a bag indicating your choice. On Friday, Feb. 28, five winners will be selected and the winners will be notified by phone.

Preschool story-times will also be held again, this time on Wednesdays in February from 2:10-2:40, allowing for Calvary preschoolers to attend and for parents to pick up their older children from school.

Story time for children ages 3-10 will be on Saturday, Feb. 1, from 10:00 to 11:00. We will make a Valentine craft and have some fun stories.

The adult genre for February is Romantic Fiction. Check the cart next to the copier for a few selected titles.

We have some federal tax guides and forms available; additional forms are available for federal taxes at www.irs.gov. State tax forms are only available online at <http://iowa.gov/tax/forms/indinc.html>.

FIRST BAPTIST CHURCH OF BLUE GRASS

February -- the month of love. The definition of love is broad and often times misunderstood. Relationships, hard to do but well worth the work. There are times when relationships break down or need some help to be productive. Just like with our cars we need to take them to the shop sometimes for a tune up, so our relationships sometimes need a tune up.

Let us help you when you feel you don't know where else to turn. All of a sudden your teenager has turned in to some-one else, your child is bouncing off the walls, you feel you communication with your spouse is in a different language, your relationship with your parents have switched roles, you find yourself at odds with yourself. We have trained counselors on staff through our Enrichment Center that can help you "fine tune" your relationships whether it is a struggle with yourself, your children, your parents, your spouse, or God.

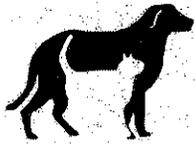

Flowers and candy will fade away but a solid relationship is priceless. That is the relationship that God is calling you to. He loved us so much that He sent His only begotten son that we may have everlasting life (relationship) with Him.

We would like to invite you to a Valentine Experience of Love on Monday, February 10th at 6:00 pm.

Our regular worship services are Sundays 9:00 church school, 9:30 Fellowship time, 10:00 morning worship and Monday night at 6:00 Pm for Bible Study.

If you are struggling in your relationships know that we are just a phone call away at First Baptist Church Enrichment Center (563) 381-4649 and let one of our professional counselors help you transform your relationship.

ASHHS QUARTERLY MEETING

The American/Schleswig-Holstein Heritage Society (ASHHS) quarterly meeting will be held at the Walcott American Legion, 121 W. Bryant Street, Walcott Iowa USA on Sunday, February 16, 2014 at 1:30 p.m.

The Reverend Dr. Egon Gerdes will present a program titled "1940s German Youth Camps – Philosophy and Experiences". During the days of World War II, many German Youth were relocated from bombed out cities into the countryside with the 6-10 year olds placed with host families and the 10-14 year olds into youth camps. While Hitler youth leaders controlled their daily life in these camps, there were also teachers for instruction. Dr. Gerdes has participated in both and can tell stories and reflections about each. He also will elaborate on the philosophy of the program and a glimpse of the programs intentions. Dr. Gerdes was born in Schleswig-Holstein in 1932 and spent most of his childhood around Kiel. He has a doctor of theology degree from the University of Kiel and, after coming to the United States, he earned a Ph.D. at Emory University in Atlanta.

Light refreshments will be provided. The public is invited. The American Legion Hall is handicap accessible. For more information, call Mary Ann Muller, 563-284-6640, or email leemarmul@aol.com.

JANUARY 20, 2014 MINUTES

The semi-monthly meeting of the City Council of Walcott, Iowa, was held on Monday, the 20th day of January, 2014, at Walcott City Hall. Mayor John Kostichek called the meeting to order at 6:00 p.m. Council members present were: Tim Koehler, Virgil Wayne Latimer, Lisa Mengler, Jackie Puck, and Jacob Puck. Absent: None. City employees present: Jeff Blake, John Brockmann, Lisa Rickertsen, Linda Rivers, and Tom Schirman.

Mengler moved and Jackie Puck seconded to approve the agenda. Motion carried.

Consent Agenda. Koehler moved and Latimer seconded to approve the consent agenda including the invoices, minutes from January 16, 2014, and the December 2013 financial reports. Motion carried.

Audience. Engineers Jay Brady and Jason Holdorf.

January 8, 2014 Minutes. Latimer moved and Koehler seconded to approve the minutes from January 8, 2014. Jacob Puck and Mengler abstained due to absence. Motion carried.

Main Street Enhancement Project. Jason Holdorf, Missman Inc., presented and discussed the agreement for services for the Main Street Enhancement (streetscape) project. This gateway development project would include sidewalks and decorative lighting for the area on Main Street from the bridge north. Main Street enhancement/decorative lighting is one of the top priorities from the Vision Committee & City Council following the Main Street Assessment Report in 2012. Rickertsen stated that this project could be funded with TIF funds. Koehler moved and Jacob Puck seconded to approve the agreement with Missman Inc. as presented. Motion carried.

Sanitary Sewer Inflow and Infiltration Study. Jay Brady, Stanley Consultants, was present to discuss the proposed sanitary sewer inflow and infiltration study. The first phase of the work consists of flow metering, system mapping and manhole inspection work. Following discussion, Mengler moved and Jackie Puck seconded to proceed with Phase I of the study at an approximate cost of \$155,000. Motion carried. Actual costs may be less, especially depending on the length of time needed for flow metering.

No Parking Area by School. Discussion was held that since a crosswalk was approved by council last fall there should not be any parking within ten feet of the crosswalk.

Building Department Report. Building Official, Linda Rivers, presented her report including a recap of the permits she issued in 2013, an update of open permits/projects, and rental housing property/ownership updates. She also reported on the following:

Dangerous Building Update. Rivers reported she spoke further with the Iowa Department of Natural Resources and resubmitted the bid documents for demolition of the barn to ten contractors. Sealed bids are due January 31st by 2:00 p.m. at which time they will be opened.

Junk & Junk Vehicles. Rivers presented changes to Chapter 51, Junk and Junk Vehicles, which council con-

curred. Rickertsen will prepare an ordinance for the proposed changes for the next regular meeting. **Parking on Private Property.** A lengthy discussion was held on parking on private property in residential areas. Discussion included whether or not parking of vehicles and towables/trailers should be allowed to park on grass on private properties or restricted to a certain number allowed per property. No action was taken but this topic will be discussed again during the February 17th meeting.

Mobile Home Ordinance Update. Rivers reported Chapter 145, Mobile Home Park Regulations, needs to be updated due to state law changes regarding licensing/requirements for plumbing and electrical work. The proposed changes will be prepared in ordinance form for the next regular meeting.

Police Department Report. Chief Blake requested approval for Officer Mayberry to attend a two week training in Des Moines this spring. The cost includes travel and meal reimbursement and \$300 for lodging. Chief Blake stated he expects the training fee of \$175 to be paid by the local LEIN (Law Enforcement Intelligence Network) office. Since there is still funding remaining in the Police Department budget for training and related expenses, Jackie Puck moved and Latimer seconded to approve the training. Motion carried.

City Clerk's Report. A budget meeting was scheduled for January 27th at 5:30 p.m.

New Business/Concerns. Koehler expressed his concern regarding a succession plan at such time when John Brockmann chooses to retire.

Mengler moved and Jacob Puck seconded to adjourn at 7:42 p.m. Motion carried. All votes on motions were unanimous, unless noted.
