### WALCOTT WOMEN'S 2014 WINTER WARMTH PROGRAM

The winter months bring many happy things to children! Santa, reindeer, snowball fights, hot chocolate, candy canes and sugarplums dancing in their heads. Unfortunately, the winter months in Iowa also bring chilly winds, below freezing temperatures and frigid walks to school made worse without the right warm winter weather clothing.

Due to the needs of children in our community, the Walcott Women are continuing our program to help keep kids safe and warm in the winter months! Our Winter Warmth Program is reaching out to help ensure the kids of our community are properly clothed so they can enjoy all the happy things that these cold months bring. We are beginning our program earlier than in previous years to ensure the children are prepared when the cold weather arrives!

The children that are helped go to Walcott School and live in our community. We work confidentially with the Walcott School Nurse in finding the names of those children in greatest need of our assistance. The families we help will be provided with items such as: coats, hats, mittens, snow pants, shoes, boots, underwear, socks and warm blankets. If you would like to help a child from our community, please choose a mitten from our "Mitten Trees" located at the Walcott Bank and Calvary Pre-School. Our mittens will be available at these locations on Tuesday, September 23rd. We kindly ask that items are purchased and returned (unwrapped) no later than Thursday, October 17th to the Walcott Bank so we are able to get these warm items to the kids as soon as possible.

Thank you SO much for your help in keeping the kids in our community warm this winter!!

For more information, please call Jennifer Schaeffer at 570-0582 or another member of Walcott Women.

## TRASHY TREATS, BIG TRUCKS, AND RECYCLING DERRING-DO

Registration is open for fun, educational tours of  
Landfill, Recycling Center

Wanna see trash get smashed under 108,000 pounds?  
Hungry for a delicious treat, layered landfill-style? If your  
love for big wheels can only be matched by your burning  
desire to see exactly what happens to your garbage and recy-  
clables after they leave the curb, then read on: We've got two  
tours for you.

Online registration is open for Waste Commission of  
Scott County's fall tours at [www.wastecom.com](http://www.wastecom.com). Tours are free  
of charge and will be held Oct. 3 at the Scott Area Recycling  
Center, Davenport, and Oct. 4 at the Scott Area Landfill, near  
Buffalo. Space is limited, and registration is required.

This fall, landfill tour-goers will get a free "trashy" treat  
and have the chance to check out equipment with monster-  
sized wheels. Recycling Center tourists will vie for green  
prizes by testing their recycling know-how and learn about  
upcoming changes to the recycling process in Scott County.

The Commission provides public tours of its facilities in  
spring and fall. Tours showcase our state-of-the-art solid waste  
programs and facilities, and educate residents about proper  
waste disposal. Can't make it this time? Sign up to receive e-  
news from the Commission, and you'll be among the first to  
know when upcoming dates are announced. E-news signup is  
online at [www.wastecom.com](http://www.wastecom.com).

Waste Commission of Scott County is an inter-govern-  
mental agency whose mission is to provide environmentally  
sound and economically feasible solid waste management for  
Scott County. For more information about the Commission,  
please call (563) 381-1300 or visit [www.wastecom.com](http://www.wastecom.com).

## HERITAGE TRAIL

Wondering what the white lines on the Heritage Trail  
at Prairie View Park are for? These lines represent 1/4  
mile markers around the main loop of the trail. The  
main loop is approximately 4/10 mile. The City of  
Walcott worked with the Scott County Health  
Department on the trail markings and the handicap mats  
at the new school crosswalk. Funding for these were  
made possible by the Iowa Community Transformation  
Grant (CTG).

The CTG is a program of the Center for Disease  
Control and Prevention (CDC). The grant's purpose is to  
reduce risk factors responsible for the leading causes of  
death and disability by creating healthier communities.  
Scott County is one of 25 counties in Iowa working on  
Iowa's Community Transformation Grant. Last year the  
CTG grant paid for the bike racks at Victory Park,  
Wescott Park, and Watertower Park. Thank you CTG  
and Scott County Health Department!

## WALCOTT PTA FUN RUN

The 2nd Annual Walcott School Fun Run will be held on Wednesday, October 8th (rain date will be the 10th). This will be held in conjunction with Iowa's Healthiest State Initiative. Our run will begin at 12:45 and end at 1:30. We are inviting the community so whether you want to run/walk with students or just bring a lawn chair to cheer our participants on, we would love to see you there! Meet us at the track just south of the school. We are looking forward to this fun event.

## WALCOTT LIBRARY

Walcott Library is having a book sale again, with many once-read hard-bounds for 50 and paperbacks for 25. Adult books are displayed on a table and children's books are displayed on yellow shelves in the adult literature room. Stop in on Garage Sale Day on Saturday, October 11, to see what bargains we have. The Eldridge Library is also having its Fall Book Sale, from Friday, Oct. 3 – Friday, Oct. 10. There will be a large selection of VHS tapes available, and on Saturday, Oct. 11, they are offering a Buck-a-Bag sale from 9 a.m. to noon.

Are you interested in attending a book club once a month from October through March? If so, please call Sherry Roberts at the Walcott Library (284-6612) to express your interest. We would meet at 7 p.m. on Monday nights for an hour to share recommendations for reading and to choose books to read. The first Book Club Night would be Monday, October 27.

Preschool story times continue on Wednesdays from 2:05-2:30. On Saturday, October 18, we will have a story time for children ages 3-12 from 10-11 a.m. The theme is Bats (the flying kind) and we'll have stories, crafts, and refreshment, but no live bats!

The featured author for October is Stephen King. We have several of his books in house, and can order ones we don't have. Stephen King is an American author of contemporary horror, suspense, science fiction, and fantasy. His books have sold more than 350 million copies, and many of them have been adapted into feature films, television movies and comic books.

Please remember that library cards are always free, and give you access to 20 different library systems in Iowa and Illinois. We can also order materials from libraries across the country. Besides many, many books, we have DVDs, CDs, books on CD (for those long car trips), magazines, and many free resources. We have a copier (10¢ per page) and two computers with access to a printer for patron use. A library is a community's biggest bargain, saving its citizens a lot of money, but only if they use it.

## WALCOTT SCHOOL NEWS

I don't know about you, but I love the month of October! I have a feeling the leaves will be just beautiful this month. I hope you will be able to enjoy a drive and take in all of fall's beauty.

Attention parents of 6-8 grade students, there are no assigned meeting times for the parent/teacher conferences. Please make note that fall conferences will be held on Tues., Oct 21 from 4 - 7 p.m., Wed., Oct 22 from 3:00 - 6:30 p.m., and Thurs. Oct. 23 from 8:30 - 11:00 a.m. We will also have spring conferences that will be held at a later date in February or early March.

Elementary parent/teacher conferences will still have assigned times that can be made directly through your student's teacher.

Please pay attention to the calendar on the back of this newsletter for further details on Walcott School activities this month.

Also take a look at the school district web site for our activities and athletic events.

## SEPTEMBER 15, 2014 MINUTES

The semi-monthly meeting of the City Council of Walcott, Iowa, was held on Monday, the 15th day of September, 2014, at Walcott City Hall. Mayor John Kostichek called the meeting to order at 6:00 p.m. Council members present were: Tim Koehler, Virgil Wayne Latimer, Lisa Mengler, Jackie Puck, and Jacob Puck. Absent: None. City employees present: Jeff Blake, John Brockmann, Lisa Rickertsen, Linda Rivers, and Tom Schirman.

Jackie Puck moved and Koehler seconded to approve the agenda with the deletion of item 6, William Belz. Motion carried.

**Consent Agenda.** Mengler moved and Jacob Puck seconded to approve the consent agenda including the invoices, minutes from September 2, 2014, and the August 2014 financial reports. Motion carried.

**Audience.** Andy Willey, Bernard Brus, Donna Housley, and Kevin Flack.

**Night Owl Wireless – Andy Willey.** Attorney Schirman reviewed some of his concerns regarding the proposed contract from Willey, which included security of the public water system, rental amount, automatic renewal provisions, tower aesthetics, obtaining confirmation from a structural engineer that Willey's equipment would be safe to be mounted on the water towers, and setting precedence. Koehler stated the City needs to be in control of the security and questioned what the value is for the City and residents. Willey stated his proposal would allow him to provide service to more residents and businesses and placement on both towers would allow backup for his services, less down town. City staff provided memos to the City Council regarding their concerns with security of the City's public water system, liability issues, and possible interference with the City's water meter collector system which is located on the top of each tower. The Public Works Department stated, in writing, their objections to placing private equipment on the towers and granting access to the facility, citing their concerns for the public water supply system. Willey was asked to return with a proposal regarding the financial benefits/value to the City.

### **Ordinance 476-14, Amending Chapter 167.22**

**Regarding Victory Park Outfield Fence.** Koehler moved and Jacob Puck seconded to approve the third reading of Ordinance 476-14. Roll call ayes: Koehler, Jacob Puck, Jackie Puck, Koehler, Mengler, and Latimer. Motion carried.

**Victory Park Outfield Fence.** Jacob Puck moved and Jackie Puck seconded to approve the proposal to hire S&V Fence to install a 4' black fence in the outfield at Victory Park at a cost of \$4,200 plus an estimated \$500 for top rail safety covering and interior posts padding. Motion carried.

**Building Department Report.** Rivers presented her report including the following:

- Updates on new construction projects, Sidewalk Reimbursement Program, and final inspection process.

- 402 W. Cedar Lane Drive – Rivers expressed safety concerns regarding the junk/equipment on the property at W. 402 Cedar Lane Drive. Mengler moved and Koehler seconded to proceed with the nuisance abatement process following review and consent by Attorney Schirman. Motion carried.

- Number of Animals – Rivers stated a complaint was received that a residence at the Mobile Home Park has more than four dogs, which is prohibited by City Code. She stated a letter was sent to the occupant and she questioned the next steps of the enforcement process. Discussion was held that a Municipal Infraction can be issued for any City Code violation or the Police Chief can issue a criminal violation. Chief Blake will visit the residence.

- Permit Fee Schedule. Rivers stated she would like to change the permit fee calculations to be based on square footage. Questions arose and discussion was held that the inspection time is the same for inspections done by homeowners versus contractors. Rivers is collecting information and will bring back a proposal to a future meeting.

**Public Work's Report.** Brockmann reported on the status of the W. Bryant Street project and the water main replacement on E. James Street. Brockmann requested to meet with the Street Committee regarding a driveway approach dispute. The Committee will meet at 9:00 a.m. on September 18th.

Koehler moved and Mengler seconded to adjourn at 7:37 p.m. Motion carried. All votes on motions were unanimous, unless noted.
