BECOME A HEALTHIER YOU

According to the 2012 Gallup-Healthways Well-Being Index™, Iowa is #9 in the nation when it comes to being physically, emotionally and mentally healthy. This is a great improvement from the #16 position we previously held, but we know we can claim the #1 spot by 2016. It's ambitious, but with your help,

we can help change Iowa and show the rest of the nation the road to wellness.

The Healthiest State Initiative is a privately led public initiative intended to inspire Iowans and their communities throughout the state to improve their health and happiness. To achieve our goal, individuals, families, businesses, faith-based organizations, not-for-profits and the public sector will unite in a community-focused effort to make Iowa the healthiest state in the nation by 2016. –

Becoming healthier as an individual and as a state doesn't have to be overwhelming. Just work on (or more!) of these Focus 5 items, which are based on areas that will most impact our state's health ranking.

Focus 5

1. Decrease the number of Iowans who smoke
2. Increase fruit and veggie consumption
3. Increase the number of Iowans who are learning or doing something interesting every day
4. Increase the number of Iowans who have visited the dentist in the last year
5. Increase the number of Iowans who feel like they are treated like a partner by their bosses

Together we can turn our state into the healthiest one. Learn more at www.iowahealthieststate.com

Which Focus 5 priority will you work on for 2014?

Thank You!

Walcott PTA would like to thank John Paustian (Paustian Concrete) for recently installing the basketball hoops and tetherball poles for Walcott School. We appreciate John's gracious donation of his time and materials to make this project possible!

We recently unveiled the new mural which will be placed in the middle door entryway at the school. A huge thank you to the Quad City Candle Company for using their machine to place grommets around the mural for us!

BE A RESPONSIBLE PET OWNER

Everyone who walks down a city sidewalk or strolls a park trail deserves to enjoy their activities without apprehension of being approached and jumped on or bitten by a dog or stepping in dog waste.

Please remember that dogs may not run "at large" anywhere within Walcott City limits. "At large" means off the premises of the owner and NOT on a leash. Your premises do not extend to the sidewalk or the area between the sidewalk and curb (public right-of-way) at your home. Dogs must be on a leash when in these areas.

Dogs are allowed in Prairie View Park and on Heritage Trail provided they are on a short leash but they are not allowed in other city parks.

City Code requires anyone having control or custody of an animal to promptly clean up, remove, and lawfully dispose of the solid waste deposited by the animal upon public property, public right-of-way, or the property of another.

2014 Pet Licenses are now available at City Hall. The annual fee is \$3.00 per cat or dog and proof of a rabies vaccination is required. License fees become delinquent on April 1st.

WALCOTT LIBRARY NEWS

Here we are in 2014—a brand new year to try new things. How about visiting the library if you haven't in awhile? You'd be surprised how much we have available or can get for you. The library has more than books, such as Books on CD to listen to in the car, current magazines you don't need to subscribe to or buy, information for tax preparation, books and magazines for sale, free publications like Radish, the daily newspaper with ads, free Wi-Fi, and much more. We're open 5 days a week for a total of 21 hours, closed on Thursdays and Sundays. Unfortunately we no longer have a fax machine, but we have a copier and a printer.

There will be no story times in January, due to unpredictable weather and poor attendance in the past months. Sometime in the near future, we will have a retirement open house for Debbie Jacobs, our long-time librarian. Watch for signs at the post office, the library, and Casey's announcing when it will be or call the library at 284-6612.

Employees of the Scott County Library System have made their staff picks for 2013. To read what books, videos, television programs, and music they recommend, please check the website, www.scottcountylibrary.org, or ask for the list at any of the libraries.

The adult genre for January will be Westerns by such authors as Max Brand, Zane Grey, Louis L'Amour, and J.R. Roberts. Look for them on the cart next to the copier.

May you have a safe and healthy January! Stop in the library sometime in the new year and spend a few quiet minutes looking around.

FIRST BAPTIST CHURCH OF BLUE GRASS

By Pastor Edith Little

A new year, a new beginning, as Pastor, I love the start of a new church year, a whole new year for service, a whole new year to see the miracles of God, a whole new year to celebrate the birth, death and resurrection of our Lord and Savior, Jesus Christ.

As I type this for the January newsletter, there is much snow around the church that gives great beauty and it is a gentle reminder of the grace and peace of our Lord Jesus Christ. The snow reminds us "that He makes our souls white as snow" But then the snowplows gives us a reminder of what sin does to our soul, as the snow is made dirty, so sin mires our soul. Is your soul mired? Come and worship with us and let the presence of a living Savior make your soul as clean as fresh snow.

Activities of the church for January: LOOKING FOR ALL 'LOST BAPTIST'. Are you a Baptist that has lost their way in another faith and want to regain your Baptist roots. Come and worship with us!

Are you a seeker and want to know about the Bible and the purpose of life? Come and worship with us!

Are you one who have always wondered what a Baptist Church believes and can a woman really be the Pastor of a Baptist Church? Come and worship with us!

Our times of worship are:

Sundays: 9:00 AM Church School

10:00 AM Worship

Mondays: 6:00 PM Bible Study

We also have a faith based counseling center, (see ad) when we can help you walk through life journeys and struggles. Let us walk hand in hand with you to be the full potential that God has called you to be.

For more information give us a call at (563)381-4649, email us at fbcb.bluegrass@gmail.com or find us on Facebook at [facebook/first.baptist.bluegrass.1](https://www.facebook.com/first.baptist.bluegrass.1)

DECEMBER 2, 2013 MINUTES

The semi-monthly meeting of the City Council of Walcott, Iowa, was held on Monday, the 2nd day of December, 2013, at Walcott City Hall. Mayor John Kostichek called the meeting to order at 6:00 p.m. Council members present were: Tim Koehler, Virgil Wayne Latimer, Lisa Mengler, Jackie Puck, and Jacob Puck. Absent: None. City employees present: John Brockmann, Lisa Rickertsen, Tom Schirman, and Jeff Blake.

Mengler moved and Jacob Puck seconded to approve the agenda. Motion carried.

Consent Agenda. Latimer moved and Jackie Puck seconded to approve the consent agenda including the invoices and minutes from November 18, 2013. Motion carried.

Audience. Fire Chief, Joe Hahn, and fire department members Rusty Holzworth and Bridget Geigle.

TIF Rebate Payments. Mengler moved and Koehler seconded to approve the semi-annual TIF (tax increment financing) payments to T&C Storage, in the amount of \$1,860.19, as per the development agreements. Motion carried.

Resolution 2013-44, Establishing New Fund and Transfer. Mengler moved and Jackie Puck seconded to approve Resolution 2013-44. Roll call ayes: Mengler, Jackie Puck, Jacob Puck, Koehler, and Latimer. Motion carried. This Resolution establishes a reserve fund for a future splash pad project and allocates \$28,875.73 (Ione Paustian Estate donation) to the new fund.

Fire Department Report.

Fire Chief Appointment. Hahn reported the Fire Department officer election results for 2014 – Fire Chief – Josh Geigle, 1st Assistant – Rusty Holzworth, and 2nd Assistant – Joe Hahn. Jackie Puck moved and Mengler seconded to appoint Josh Geigle as Fire Chief, effective 01/01/14 with term ending 12/31/13. Motion carried.

EMS Transportation Agreement with Durant Ambulance. Hahn reported the EMS Transportation is a standard agreement, renewable every two years. Latimer moved and Koehler seconded to approve the EMS Transportation Agreement as presented. Motion carried.

EMS Daytime Positions. Hahn stated the temporary part-time paid EMS (emergency medical services) position was approved through December 2013. He reported the Fire Department feels that even with two daytime department volunteers that recently completed EMS classes, there will still be a lack of EMS coverage during the day. The two fire department volunteers have schedules that do not allow them to be available all day, each week day. Discussion was held on possibly hiring a full-time individual that is EMS certified who can assist with the Public Works Department during the day. Chief Blake stated he and his full-time officers are willing to go through EMS classes to assist too. Following further discussion, Mengler moved and Jackie Puck seconded to approve extending the part-time paid EMS position until the end of March. Motion carried. Financial information will be prepared and presented to council at a future meeting.

Holzworth reported three vendors are currently bidding

on a new truck. The bid results and department recommendation is expected to be presented to the City Council during their January 6th meeting.

Police Department Report. Chief Blake presented information as requested from Jackie Puck during the last meeting regarding adding another full-time officer. The information included the following: increased calls for service over the past two years, increased part-time hours/wages, traffic flow numbers at Interstate 80 interchange, fine revenue, and financial information (wages and benefits) for a proposed new officer. Mengler stated she would have a hard time justifying an additional full-time officer and stated that the increased coverage of part-time hours would result in an increase of call volume as the Scott County Sheriff's Department would have previously covered the calls when a Walcott officer was unavailable. She questioned if Chief Blake was recommending hiring an additional full-time officer. Blake stated he could always use more officers, either by hiring a full-time officer or increasing the part-time budget. Further discussion ensued and Chief Blake was requested to start providing a monthly report of calls to the City Council.

Public Works Department Report. Brockmann presented his report including the following:

A snow fence will be installed on the west side of a portion of Plainview Road.

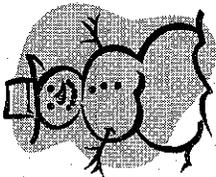

S. Downey Street watermain project is complete, with the exception of street restoration which will be done next spring.

Lot surveying is completed on the lots adjacent to tennis courts. Discussion was held on the type of privacy fence to install on east lot line. This will be on next agenda.

Attorney's Report. Schirman stated the order regarding repair or demolition of a dangerous building for the large barn at 780 E. James Street has not been completed and there has not been adequate progress shown. Koehler moved and Jacob Puck seconded to have the Building Official proceed with obtaining bids for demolition of the barn. Motion carried.

Mayor's Report. Mayor Kostichek presented information and names for establishing a Citizens Municipal Building Committee to analyze all city-owned facilities and property for the best possible long range use. Jackie Puck questioned why council members were not listed on the committee. Mayor Kostichek stated it was a citizens committee and they will present their findings and recommendations to the City Council. Mayor Kostichek established the committee as presented and appointed the following citizens: Jason Holdorf, Jeanne Brus, Bernard Brus, Linda Smith, Kris Burt, and Melvin Brus (Fire Department Representative). Mayor Kostichek will chair the committee and employee John Brockmann was asked to be present at the meetings for informational purposes. Mengler moved and Latimer seconded to approve Mayor Kostichek's appointments to the Citizens Municipal Building Committee. Jackie Puck opposed. Motion carried.

Koehler moved and Jacob Puck seconded to adjourn at 7:28 p.m. Motion carried. All votes on motions were unanimous, unless noted.
