NEWSLETTER

NEW MEMBER: BCR POWDER COATING

BCR Powder Coating is a family owned and operated business that is dedicated to providing the highest quality powder coated finishes to our customers. We provide a quality custom powder coating to both the public and

commercial/industrial businesses. Engine parts, motorcycle parts, tractor parts, car parts, wheel rims, fencing and lawn furniture all benefit from the unique properties and cost efficiency of powder coating.

Powder coating is a method of paint application in which the paint is applied as a powder and then cured with heat. This technology allows for an excellent decorative quality finish that will stand up to the highest functional performance specifications.

When people think of powder coating they usually think of basic black; but at BCR Powder Coating we offer any color to fit your imagination. We specialize in multicoated powder applications such as metal flake and texturized finishes. We even offer several high quality black finishes in flat, textured and high gloss.

Powder coating is environmentally friendly and is the preferred choice in the finishing industry. Powder coating resists cracking and peeling and is resistant to extreme abrasions, corrosions and chemicals. Powder coating provides a finish superior to most other organic coatings.

We also do custom sandblasting. It is one of the most effective ways to strip and smooth a surface of any foreign material. It is similar to using sandpaper, but provides a more even finish with no problems with corners, nooks or crannies. Sandblasting helps rejuvenate the material and start the process of making it look new again.

We are open Monday thru Friday 8am-4pm. We are available after hours, Saturday and Sunday by appointment.

We are located at 702 E Price Street in Eldridge, IA. Give us a call at (563) 285-4111.

Check out our website at www.bcrpowdercoating.com, find us on facebook www.facebook.com/BCRPowderCoating and email us at bcrpowdercoating@gmail.com

WINTER PARKING & SIDEWALKS

If it is necessary to use street parking during a snowfall, the Public Works Department would appreciate your cooperation in adhering to the following Snow Emergency Parking Regulations during all snowfalls:

- All vehicles and equipment shall be parked on the side with even addresses on even numbered calendar days and on the side with odd numbered addresses on odd numbered calendar days.
- If a snow emergency is declared, vehicles and/or equipment may be towed if they are parked in violation of the snow emergency parking regulations.

Residents are reminded that it is the property owner's responsibility to remove snow and ice accumulations promptly from sidewalks. Please make arrangements to have your sidewalks maintained at all times and remember that it is illegal to shovel or blow snow onto city streets. Your cooperation is truly appreciated!

Can you believe it? Winter has arrived early and the year is almost over. When you think about buying books for the holidays, please remember that we have once-read hardback and paperback books for sale for 50¢ and 25¢. They look new and read the same as the expensive store-bought ones. We also have a variety of magazines for 10¢ each to entertain you on cold nights.

Our Book Club met at the end of October with seven people present, who shared some wonderful titles and authors with us. By the time you read this, we will have had our second meeting on December 1. While enjoying refreshments, we discussed three very different books: *Hotel on the Corner of Bitter and Sweet* (Ford), *The Girls from Ames* (Zaslow), and *No! I Don't Want to Join a Book Club; Diary of a 60th Year*. Check the library door for the date and time of the next Book Club meeting.

The Holiday story time for children, ages 3-10, will be Saturday, Dec. 20, from 10-11 a.m. As usual, we will have stories, crafts, and treats. Preschool attendance for story time has fallen off considerably so we won't have scheduled story times through the winter months after Jan. 1. The last preschool story-times for 2014 will be from 2:05-2:30 on Wednesdays, Dec. 3, 10, and 17. I would be happy to read to any children who visit any time; just ask!

Have a wonderful Holiday season, however and whenever you celebrate it! Be safe, be healthy, and be happy!

NOVEMBER 3, 2014 MINUTES

The semi-monthly meeting of the City Council of Walcott, Iowa, was held on Monday, the 3rd day of November, 2014, at Walcott City Hall. Mayor John Kostichek called the meeting to order at 6:00 p.m. Council members present were: Tim Koehler, Lisa Mengler, Jackie Puck, and Jacob Puck. Absent: Virgil Wayne Latimer. City employees present: Jeff Blake, John Brockmann, Josh Geigle, Lisa Rickertsen, and Tom Schirman.

Mengler moved and Jackie Puck seconded to approve the agenda. Motion carried.

Consent Agenda. Koehler moved and Jacob Puck seconded to approve the consent agenda including the invoices, minutes from October 20, 2014, and Resolution 2014-34, Transfer of Funds. Roll call ayes: Koehler, Jacob Puck, Jackie Puck, and Mengler. Motion carried.

Audience. Larry Koberg, Josie Dietz, Gene Meyer, Jason Holdorf, Donna Housley, and Janice Dawson.

Vision Committee. Larry Koberg and Josie Dietz were present on behalf of the Vision Committee. Koberg reported on the cost estimates for hanging flower baskets on the proposed decorative light poles, in conjunction with the North Main Street Enhancement Project. He stated they will pursue civic organizations to determine financial commitments. Following discussion, Koehler stated he would like to see a total of all start-up and reoccurring annual costs, including labor costs. Koberg also stated they are looking for ideas on a location for a Walcott sign. He reported the Committee contacted a property owner on the north side of Walcott Road (old Hwy 6), and the owner is not interested.

Main Street Enhancement. Jason Holdorf, Missman Inc., was present to discuss the concept plans for the North Main Street Enhancement Project. Holdorf presented different options including adding storm sewer on the east side. Brockmann stated the decorative lighting should continue to Welcome Park. Rickertsen reported earlier this year the council approved up to \$600,000 of tax increment financing funds towards the project and reported Local Option Sales Tax funds could also be utilized. Following further discussion, Koehler moved and Jacob Puck seconded to proceed with the next step (design plans) of the project. Motion carried. Rickertsen questioned if the City Council was still interested in pursuing Mediacom to extend their cable for high speed internet. It was discussed Mediacom could utilize the same trench as the storm sewer. There were no objections to contacting Mediacom and allowing them to install their cable in conjunction with the project.

Realtor Contract. Rickertsen reported the individual who contacted City Hall about the building at 1113 N. Main Street has now stated he was only interested in leasing the building. Koehler moved and Jackie Puck seconded to approve the contract (listing agreement for 1113 N. Main Street) with Mel Foster Real Estate Services (Agent Nick Bert) as originally submitted. Motion carried.

Resolution 2014-35, Obligating Funds from the Consolidated Walcott Urban Renewal Area. Mengler moved and Jacob Puck seconded to approve Resolution 2013-35. Roll call ayes: Mengler, Jacob Puck, Jackie Puck, and Koehler. Motion carried. This resolution obligates \$53,150 from the Consolidated Walcott Urban Renewal Tax Revenue Fund with respect to the City's Development Agreements with Iowa 80 Truckstop Inc., T&C Storage, Ossian Walcott Investments LC, JDW Holdings LLC, and Sterling Partners LLC for the fiscal year beginning July 1, 2015.

Resolution 2014-36, Weapons Policy. A question regarding the legality of the proposed policy was asked and Attorney Schirman stated cities have home rule authority and he doesn't feel it is prohibited. Blake reported on the costs of signs/stickers for city buildings and property. Jackie Puck moved and Koehler seconded to approve Resolution 2014-36. Roll call ayes: Jackie Puck, Koehler, Mengler, and Jacob Puck. Motion carried.

Fire Department Report. Geigle stated the new pumper truck is scheduled to be completed by the end of the month. He reported the Midwest Center for Public Safety Training (MCPST) inquired about the City donating the truck to be replaced, 1987 Ford K-C 8000, in return for free training at the center for the Fire Department. Discussion ensued about the value of the truck. Koehler moved and Mengler seconded to place an advertisement for bid on the 1987 Ford truck. Motion carried. Jackie Puck commended the Fire and Police Departments for their services, particularly on recent accident calls. Mengler also thanked the departments for their service and assistance during Trick-or-Treating.

Public Works Department Report. Brockmann reported on the following:

- Continuing to work on the pretreatment agreements with both truck washes.
- Provided an update on the W. Bryant Street project.
- Stated S. Downey Street will get blacktopped this week.

City Clerk Report. Rickertsen presented the 2015 renewal rates for the employee health and dental insurance. This will be placed on the next agenda for discussion. She also reminded council that city offices will be closed November 11th in observance of Veteran's Day and November 27th & 28th for Thanksgiving.

City Attorney Report. Attorney Schirman reported on his discussions with River Valley regarding the easements on the property at 1113 N. Main Street. Brockmann will contact Iowa One Call for locates of the property.

Mayor Report. Mayor Kostichek thanked the city departments and stated he hopes citizens are appreciative of city employees and volunteers.

Questions/Concerns. Brockmann asked that the vacation policy be reconsidered. It currently states all remaining vacation time at the end of each anniversary year will be forfeited, with the exception of up to 80 hours that can be carried forward. He would like to be paid out for all unused vacation time, as it was done several years ago.

Jackie Puck moved and Mengler seconded to adjourn at 7:25 p.m. Motion carried. All votes on motions were unanimous, unless noted.
