RAGBRAI is Coming Back!

RAGBRAI® is in 43rd year and once again will pass through Walcott on its way from Coralville to Davenport on Saturday, July 25, 2015. It is hard to believe that it has already been four years since our town last hosted over 10,000 riders passing through on a beautiful, hot July Saturday. Based on the notes taken, it was estimated that we served around 3,000 people at the park that day, while many more stopped at the Lampliter and the Coliseum.

This year, Larry Koberg, Joe Quick, Kelly Quick, and Kris Burt are heading up the preparations. On Wednesday, April 8th, there will be a presentation at the Walcott Coliseum at 7pm to inform everyone on what has been done and what needs to be done. Based on the success of the last visit, the overall concept will be much the same. The biggest key to our success last time was the number of volunteers that came out to help not only that day, but in the days leading up to the event. We are again going to need everyone's help to welcome the riders, block the roads, give directions, direct the traffic, serve the food, and bake the pies, along with many other tasks. There will be an opportunity for everyone that wants to help! One consistent feedback from the riders last time was the brightly colored t-shirt worn by all our volunteers made it easy to know who to ask questions to. Based on that, we will again provide a free shirt to all the volunteers.

The Walcott elementary and intermediate school kids participated in a contest to help come up with this year's theme. The winner of the theme was Emmalynn Golinghorst with "Ride the Rails" playing off Walcott's early beginnings as the first railroad past Davenport.

Come out on Wednesday, April 8th at 7pm at the Walcott Coliseum to hear the details. If you can't make the meeting but want to stay informed:
-join the Facebook page: RAGBRAI Walcott 2015
-email walcottragbrai@gmail.com
-or contact one of the committee members.

Here's to another successful RAGBRAI!!!

WALCOTT HISTORICAL SOCIETY

March, 2015

If you have any photos, documents or other items representing the history of Walcott, please don't discard them! Many items have already been lost because they were discarded by family members or friends who did not know what to do them. That's the request from and the mission for the 12 charter members of a newly formed group, the Walcott Historical Society, being established to preserve Walcott's history. The group met for the first time on March 18 at the Walcott branch of the Scott County Library. Officers elected at the initial meeting were Karen Puck, chair; Brenda Warner, vice chair; Sherry Roberts, secretary; and Karolyn Williams, treasurer.

Puck said she has met with Charlie Wuestenberg of the Tri County Heritage and Genealogy Museum, located next to the post office at 820 5th St. in Durant. She said he has been very helpful in suggesting how to organize the Walcott Historical Society. Members decided to request a federal identification number, adopt bylaws and a mission statement, and then file papers to become a nonprofit (501C3) corporation. That will allow the organization to acquire operating capital by seeking grants and accepting donations and memorials. The group's dream is to someday have a building, or some space in someone else's building, to serve as a museum and showcase of Walcott's history. Puck said the community is in favor of the establishment of a historical society and a museum. For example, she has attended two Walcott City Council meetings, she said, and found support among council members. "If they build a new city hall," she said, "they will seriously consider providing a room for us". In the meantime, the Walcott Day Committee has pledged to pay the \$400 fee needed for incorporation of the group.

The next meeting of the Walcott Historical Society is planned for mid-May. Anyone with Walcott historical items to donate may drop them off at the Walcott Library, 207 S. Main St., or contact Puck at (563) 284-6438.

FUN NIGHT

The Walcott PTA is hosting Fun Night at the Walcott school on April 10th from 6-8 pm for elementary students and families. Fun Night is a night of "fun" games, jumpys, and snacks! Parents can buy 10 punches for \$10 or 20 punches for \$20. There are multiple games to play in both gyms this year, including two jumpys, a professional face painter, a balloon artist and new this year a book walk. Some games will award children with fun bucks that they can then use to "buy" a prize from the prize table. Snacks available for purchase include nachos, pretzels, popcorn and make your own sundaes! Invite your friends and come enjoy a safe and fun environment for the entire family!

BETTER VALUE

WALCOTT SCHOOL NEWS

It's GREAT to see that sun shine and to have warmer temperatures!!!! I don't know about you, but I have been ready since the first of March to send those winter blues packing!

The dates for the Iowa Assessment Testing for grades 3 - 8 will take place the week of April 7th. Please plan to try and re-schedule any appointments that you may have that week for your students. The office staff will be unable to call students out of testing sites and if your student should come in late during testing, they must sit in the office area until there is a break in the testing time. If your student is ill, please use your best judgment and do not send them to school. However, all missed tests are required to be made up. We had excellent attendance for last years testing, so we appreciate everything you can do to re-schedule appointments and get students to school on time.

Please join us to cheer on our track team this month. The athletic schedule can be found on the school calendar and you may also check out all of our events on our new web site on the Davenport Community School District web page (davenportschools.org). Click on "Our Schools", then hi-light "School Web Sites" and then click on Walcott Elementary or Intermediate. You

will be able to see our calendar of events there.

Don't forget - Every Wednesday is a one hour early dismissal at 2:35 p.m

PARK RESERVATIONS

Spring is here and that means the ball diamonds, shelters, and gazebos will be filling up fast! City Hall is now taking reservations for 2015. Reservation forms for park shelters and gazebos must be completed and remitted to the City Clerk's office with a nonrefundable fee of \$35. If you have questions or would like to reserve a ball diamond, please contact City Hall at 284.6571 x10. Unreserved facilities will still be available to be enjoyed by the general public on a first come, first served basis.

GAS TAX INCREASE

The City of Walcott has received an estimate from the Iowa Department of Transportation that our share of the 10 cent gas tax increase will be approximately \$26,895 each year. The amount we receive is based on our population (1,629), and the funds are deposited into the City's Road Use Tax Fund (RUTF).

The gas tax is distributed to the state, county and city governments based on the following percentages:

- * Primary (State) Road Fund – 47.5%
- * Secondary (County) Road Fund – 24.5%
- * City Street Fund – 20%
- * Farm to Market Fund – 8%

RUTF can only be used for street related expenses, including the construction, repair, and maintenance of road infrastructure. The City of Walcott uses the majority of RUTF to pay for street improvement projects. Recent projects include the W. Bryant Street (and connecting side streets), W. Flagg Street, and Memorial Road projects. The remaining RUTF is used for street maintenance supplies (rock, sand, and ice control), street engineering services, and some sidewalk repairs.

FREE SPRING CLEAN-UP DAY

Saturday, May 2nd

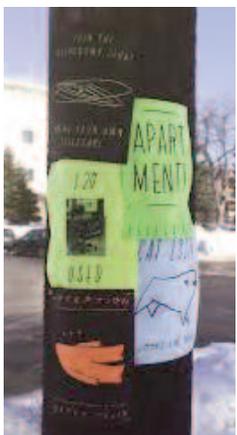

2 – 5 p.m.

212 W. Lincoln St.

(Public Works Building)

The City of Walcott will be hosting a Spring Clean-up Day for all residents of Walcott. Dumpsters will be available at the Public Works Department from 2 – 5 p.m. All household waste will be accepted except NO electronic waste or household hazardous waste. Business waste will not be accepted. Take this opportunity to get rid of all that useless stuff that seems to pile up. Tires, appliances, and bulky items will also be accepted at no charge. If you have any questions regarding acceptable items, please contact the Public Works Department at 284.6571 x11.

“SIGNS, SIGNS, EVERYWHERE A SIGN”

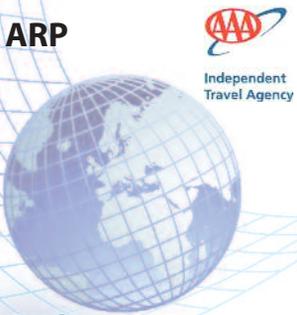

Residents are reminded that signs - rummage sales, garage sales, advertising, etc. – cannot be posted on public or utility right-of-ways (including utility poles), or on the property of another without the property owner's permission. Illegal signs removed by city staff can be picked up at City Hall.

WALCOTT LIBRARY NEWS

National Library Week is April 12 – 18, when we celebrate the privilege of having free libraries and their many

resources available to us. Everyone who comes in between April 1 – 29 will receive a chance to win one of four gift bags, which include items for gardeners, children, toddlers, and women. Just stop in, fill out a chance, and check out what is available in our library. Drawing for the winners will take place on Friday, May 1, and the winners notified by phone. We have books and magazines for sale, and many free publications, including tour books of Iowa.

We now have new, matching swivel chairs for our computer stations, thanks to Lambda Phi, a Walcott chapter of Beta Sigma Pi. Three of our old chairs were tattered and not working properly; they are available free for the taking to anyone who wants them.

The April story time for children will be Saturday, April 4, from 10-11 a.m. and the theme will be Easter Fun. There will be Easter treats, crafts, and stories. The adult theme for April will be Spring-based stories. Books will be on display on the cart next to the copy machine. We are also having a Beads and Buttons Bonanza in April at the library. Materials for making button and bead jewelry will be available for anyone who wishes to make gifts for Mothers' Day or other occasions.

The Scott County Library System and the Walcott Library are making plans for the Summer Reading Program, based on the theme of Heroes. Each week from June 1 through July 31 will feature a different kind of hero, with presentations from local heroes. Sign-up will be Monday, June 1 and lots of half-way and final prizes will be awarded to participating.

Many 'new' people have stopped in to the library to renew or to apply for library cards, which are free. They often comment that we have far more than they expected and vow to come back. Plus we have access to all of the libraries in the RiverShare consortium, which includes 17 other libraries. Materials from all of these libraries can be sent to and dropped off at our library. If you haven't come in yet, please stop in to visit this little gem in our little town.

WALCOTT DAY

Walcott Day is currently looking for queens and princess. If you are interested in helping your community, earn 10 percent of your sales and have a great time this summer please contact Kelly Quick 563-505-9072 or Jenn Schaeffer 563-563-570 0582

Interested in joining Walcott Day? Come help us plan this awesome day. Meetings are the third Thursday of every month at the fire station. It takes a lot of work and a lot of people to help plan this wonderful event. If you have any questions please call Joe quick 563-343-8996 or Kelly Quick 563-505-9072.

GARAGE SALE

The Walcott City-Wide Garage Sale will be held on Saturday May 2th from 8am to 2pm (rain or shine). Registration forms will be available in April 1st available at Walcott Casey's and Walcott City Hall. The cost to register is \$10 and the deadline to register is Monday April 24th.

The maps will be available to pick up on Friday May 1st after 3:00pm at Walcott Casey's and Walcott City Hall.

The garage sale is a community service project that the Nu Zeta Sorority does as a fund raiser. The money is donated to organizations and schools in the Walcott area. Please call Kayla Sweeney (284-4068) or Kris Burt (284-9028) with any questions. Thank you for your support!!

MARCH 16, 2015 MINUTES

The semi-monthly meeting of the City Council of Walcott, Iowa, was held on Monday, the 16th day of March, 2015, at Walcott City Hall. Mayor John Kostichek called the meeting to order at 6:00 p.m. Council members present were: Tim Koehler, Virgil Wayne Latimer, Lisa Mengler, Jackie Puck, and Jacob Puck. Absent: None. City employees present: John Brockmann, Lisa Rickertsen, and Tom Schirman.

Audience. Verlyn & Josie Dietz, Jill Hernandez, Renae Christopher, Michael Christopher, John Friede, Kendall Mattson, Donna Housley, Randy Moeller, Jason Holdorf, and Joe Quick.

Approval of Agenda. Jackie Puck moved and Mengler seconded to approve the agenda. Motion carried.

Consent Agenda. Koehler moved and Jacob Puck seconded to approve the consent agenda including the invoices, minutes from March 2, 2015, and the February 2015 financial reports. Motion carried.

Main Street Enhancement Project.

- **Bridge Railings.** Discussion was held on the bridge walkway railings and whether or not to leave the east bridge walkway railing as is or update to the new IDOT (Iowa Department of Transportation) standard railing if the west walkway is added. The cost to update the east side to the IDOT standard railing is approximately \$13,000 – \$14,000. Discussion was held that the west side walkway is a project alternate and must meet new IDOT standards. Council consensus was that both bridge railings should match. Mengler moved and Koehler seconded to proceed with having both bridge walkway railings meet the new IDOT standards. Motion carried. If the west side bridge walkway is not included in the project, the east side railing will remain as is. Discussion was held regarding the new sidewalks included in the project.

- **Lighting Options.** Information was presented regarding two styles of light options from Alliant Energy and three styles from the project engineer. The options presented from Alliant were for HPS (high pressure sodium) lights since LED lights for decorative poles are not available from them at this time. Their poles do not come with electrical outlets, flag mounts or hanging basket mounts and it was unknown if Alliant would allow the City to add them. It was mentioned that the poles from Alliant Energy were not as attractive and are considerably taller than the options from the engineer. Mengler stated that the visual enhancement to the Main Street corridor was one of the main purposes of the project with inclusion of hanging baskets on the decorative poles. The options presented from the project engineer included LED lights, decorative pole bases, double hooked planter mounts, and flag pole holder mounts. A precast location for an electrical outlet can also be added. The poles from Alliant Energy would be installed by Alliant Energy at no cost and would be maintained by them for a monthly fee. Discussion was held on the installation cost differential, the difference in pole/light options, and the value of paying for the higher priced poles. Mengler moved and Jackie Puck seconded to include the Prairie fixture, an option presented by the project engineer, in the plans and specifications. Motion carried.

- **Contract Amendment.** Discussion was held on the contract amendment from Missman for the engineering services for the structural services of the west bridge walkway expansion. The west bridge walkway was added as an alternate to the project after the initial engineering contract was approved. The amendment also included services for temporary construction easement acquisition. The total amendment is at an hourly rate, not to exceed \$39,200. Following discussion, Koehler moved and Jackie Puck seconded to approve the contract amendment with Missman. Motion carried.

RAGBRAI Committee Report. Joe Quick reported on two possible themes for this year's RAGBRAI event. Discussion was held on having a similar route as 2011, which includes going around Victory Park, but this year wanting to go on E. Bryant Street, S. Grove Street and then Memorial Road. Concerns were expressed regarding the Post Office access and street conditions. Following further discussion, Jackie Puck moved and Koehler seconded to have the RAGBRAI Committee come up with the best route for the community and businesses. Motion carried.

Spring Clean-up. Mengler moved and Jackie Puck seconded to schedule spring clean-up day on Saturday, May 2nd from 2–5 p.m. Motion carried. This will be located at the Public Works building for Walcott residents only. No electronic, business, or household hazardous waste. Tires, appliances, and bulky items will be accepted at no charge.

Approval of Right-of-Way Application for Iowa Network Services. Jacob Puck moved and Latimer seconded to approve the application for Iowa Network Services. Motion carried. This is for a fiber optic conduit in the right-of-way on Blue Grass Road/70th Avenue.

Public Works Report. Brockmann reported on cleaning rocks from yards due to snow removal, issues with the used snow plow truck that was recently purchased and stated he started on the water leak at Wescott Park.

City Clerk's Report. Rickertsen stated a hearing request regarding a nuisance abatement has been received. The hearing was scheduled for 5:30 p.m. on April 6th.

Mayor's Report. Mayor Kostichek stated he was glad to see citizens attending the meeting and voicing their concerns. He thanked Joe Quick for co-chairing the RAGBRAI Committee.

Questions/Concerns. Audience members questioned the proposed police department vehicle purchase. Mayor Kostichek responded that the topic has not yet been brought to the council table for discussion. Jackie Puck related concerns from a resident that their neighbor was feeding stray cats and it was attracting wild life to the neighborhood. Puck questioned if it was against city ordinances or if it could be added to the code book.

Mengler moved and Jackie Puck seconded to adjourn at 7:04 p.m. Motion carried. All votes on motions were unanimous, unless noted.
