LIBRARY NEWS

Our Walcott Book Club is growing in members and now has a schedule through the end of the year. On May 4, we will be discussing Pumpkin Soup & Shrapnel, Growing Up Under the Third Reich, by local author Gunda Davis. Born to a comfortable German family, she recounts her experiences growing up in East Germany during Hitler's Third Reich. Gilead, by Marilynne Robin, is the book chosen for the June 1st meeting. You can pick up a copy of the book of the month at the Walcott Library about a month before the meeting. We meet on the first Monday of the month at 7 p.m. at the library. Books to be discussed in the future are The Book Thief (Zusak), Brick Lane (Ali), Can You Keep a Secret? (Kinsella), The Color of Water (McBride), Extraordinary, Ordinary People (Rice), and The Boys in the Boat (Brown). Join us as we discuss these fascinating books and make new friends.

Making flower baskets for moms and grandmoms will be the activity of the Children's Story Time on Saturday, May 9, from 10 – 11 a.m. Books honoring mothers will be on display and treats will be served.

Summer is almost here and we're making exciting plans at the library for the Summer Reading Program, which begins June 1. The theme this year is "Every Hero Has a Story", featuring a different kind of hero each week until the end of July. The first week of June focuses on families as heroes. At the Walcott Library, we will have a display of family-oriented books and a collection of craft materials for making gifts for family members available throughout the week.

We are giving away magazines throughout May. Some of the titles are Better Homes and Gardens, Consumer Reports, Game Informer, People, and Sports Illustrated plus many more. They may be a few months old but the articles are still interesting and the ideas still inspiring.

Thanks to all of those people who entered the Gift Bag Giveaway. The winners were drawn on May 1 and called. Their names will be published in the June newsletter.

Happy Mothers Day

RAGBRAI UPDATE

Plans are under way. Volunteer forms are available at City Hall. There is also a RAGBRAI page on the city website (www.cityofwalcott.com) that has all the forms and a copy of the presentation if you missed it. The ordinances have passed and are in the minutes from city council minutes.

Do you have an old unused bike that you are willing to donate? We are creating a bike themed photo opportunity for the bikers and need all the old bikes we can get. All sizes are welcomed. If you have one, contact Kelly at 505-9072.

Save the Rhubarb! If you have extra this season, we would love to have it! Please call Kris Burt at 284-9028. The riders love Rhubarb pie and we want to make sure we have plenty to feed them.

A new thing this time around is that we are hoping to line Main Street with people holding posters and cheering the riders on. If you are interested in helping with this project, contact Kelly Quick at 505-9072.

APRIL 6, 2015 MINUTES

The semi-monthly meeting of the City Council of Walcott, Iowa, was held on Monday, the 6th day of April, 2015, at Walcott City Hall. City employees present: John Brockmann, Lisa Rickertsen, Linda Rivers, and Tom Schirman.

Audience. Gene Meyer, Brent Puck, Larry Koberg, and Sara Hayden.

Fastpitch Tournaments. Larry Koberg was present and reported that there will be two fastpitch softball tournaments this summer. The Fastpitch Invitational will be held from May 22nd – May 24th and the Iowa Area ISC Qualifier Men's Fastpitch Tournament will be from June 19th – June 21st. Koberg requested fencing for both Wescott and Victory Parks for the tournaments, beginning on May 20th. Koehler moved and Jacob Puck seconded to allow the fences to be installed at Wescott and Victory Parks for the tournaments, beginning on May 20th and be removed on June 22nd. Motion carried.

The Mayor's Beautification Award was initiated in 1994 by former Mayor Leon Downing and there are two awards listed on the plaque, with the last award in 1997. Mayor Kostichek and Council consensus was to have the Vision Committee bring back ideas. They reported on potential property, both city and county right-of-ways (ROW), to install welcome signs. Signs located in any ROW would have to be located so there are not any visual obstructions. Jacob Puck moved and Koehler seconded to proceed with the next steps (pursuing sign designs/costs and engineering fees) for welcome signs. Motion carried.

Urban Renewal Area. Rickertsen reported all TIF rebate/development agreements must be listed in the Urban Renewal Plan. Mengler moved and Koehler seconded to approve the TIF rebate application for Gene Meyer (Geno's Ice Cream & Subs) and start the required proceedings. Motion carried.

City Owned Lots on N. Main Street. Information was received from the Iowa Department of Natural Resources (IDNR) regarding the two city-owned lots, west side of Main Street just north of Mud Creek, regarding the base flood elevation. Engineering services would have to be obtained in order to submit an application to the IDNR for permission to fill the lots. Council requested additional information prior to pursuing any action.

Municipal Building Project. Mengler moved and Jacob Puck seconded to table the topic until all council members are present. Motion carried.

Ordinance 477-15, Amending the Official Zoning Map. Mengler

moved and Jacob Puck seconded to approve the second reading or Ordinance 477-15. Roll call ayes: Mengler, Jacob Puck, and Koehler. Motion carried. This is the second of three readings to rezone the lot at 101 S. Main Street from M-1, Light Industrial, to C-2, Central Business District.

RAGBRAI Committee Report. Larry Koberg reported on a public informational meeting on April 8th at 7:00 p.m. at the Walcott Coliseum, a pre-ride by RAGBRAI officials on June 6th, and this year's theme "Ride the Rails". Koehler introduced and moved to approve the first reading of Ordinance 478-15, Adding Chapter 126, Entitled RAGBRAI. Seconded by Jacob Puck. Roll call ayes: Koehler, Jacob Puck, and Mengler. Motion carried.

Building Department Report. Rivers presented her March inspections report and reported on recent fire and rental inspections, upcoming commercial projects, and the recent purchase of the car wash which should be re-opening soon. She also reported on two properties that were sent nuisance abatement notices and have failed to comply. Following discussion, Koehler moved and Jacob Puck seconded to approve moving forward with abating the nuisances, not to exceed costs as presented by Rivers. Motion carried.

Public Works Report. Brockmann reported the water leak at Wescott Park has been fixed but he is waiting on the contractor to repair the concrete. Mayor Kostichek questioned the recent seeding from the W. Bryant Street Project. Brockmann stated the material will remain dormant until it rains.
