## NEWSLETTER

| Volume 16 | Issue 12 | December 2015 |

### WINTER PARKING & SIDEWALKS

If it is necessary to use street parking during a snowfall, the Public Works Department would appreciate your cooperation in adhering to the following Snow Emergency Parking Regulations during all snowfalls:

\* All vehicles and equipment shall be parked on the side with even addresses on even numbered calendar days and on the side with odd numbered addresses on odd numbered calendar days.

\* If a snow emergency is declared, vehicles and/or equipment may be towed if they are parked in violation of the snow emergency parking regulations.

Residents are reminded that it is the property owner's responsibility to remove snow and ice accumulations promptly from sidewalks. Also, corner lots are required to clear the snow from the access ramps to allow unimpeded passage for pedestrian traffic. Please make arrangements to have your sidewalks maintained at all times and remember that it is illegal to shovel or blow snow onto city streets. Your cooperation is truly appreciated!

### Sidewalk Snow Removal to Be Enforced More Stringently

It's that time of year again... For those who are new to the area, and to remind those who are not, Walcott city ordinances and Iowa law require that snow and ice accumulations on all public sidewalks (including sidewalks that cross driveways) be removed promptly after snowfalls. Both residential and commercial property owners are responsible for maintaining the public sidewalks that adjoin their properties on all sides. Because public sidewalks are used by not only our school children, but also delivery people, city employees, and neighbors trying to get exercise for themselves and/or pets, under state law, property owners are liable for injuries caused by failure to remove snow and ice accumulations.

While city ordinances do not give a specific time limit for removal so that inspectors can make allowances for ongoing weather conditions and extenuating circumstances, most jurisdictions require it to be done within 24 hours of the snowfall. Typically, the City of Walcott will begin sending out notices after 48 hours.

Due to the cost involved in sending out notifications, the City will only send one reminder per season, when the walks are first found to be out of compliance. After that, the City will order abatement any time the walks are not cleared within a reasonable amount of time and owners will be

*continued on next page*

*continued from front page*

sent a bill for the City's services. Depending on the length of the walkways, the cost typically approaches \$1.00 per linear foot for City crews to clear a sidewalk and abatement costs are treated the same as property taxes and are recorded with the county assessor if left unpaid.

THE NEWS, AS WE LOOK TO A TIME OF HOPE, LOVE, JOY, AND PEACE. IT'S NOT BECAUSE THAT'S WHAT WE BELIEVE WE SEE IN THE WORLD, BUT BECAUSE THESE THINGS ARE WORTH BELIEVING IN, DESPITE WHAT WE SEE IN THE WORLD. TAKE ACTION THIS CHRISTMAS SEASON, JOIN US AS WE FOCUS, JUST LIKE ALWAYS, ON A BEGINNING, THE ADVENT OF GOD'S MASTERPIECE OF LOVE. THE JOURNEY BEGINS NOVEMBER 29TH, 2015 AT 10:00 AM.

## WALCOTT SCHOOL NEWS

This year's winter break will begin on December 23rd - January 4th.

December is a busy month for the Panthers, so be sure to look at the calendar on the back of the Walcott Newsletter. All kinds of great concerts and athletic events happening just to make the season bright!!!!

We would like to take this time to say "Happy Holidays" to all of our Walcott Panther families and to wish you all the best in the New Year! We'll see you back in classes on January 5th.

On a side note, I would like to take this opportunity to say thank you to residents Ray and Diane Clark for picking up trash along Y40 and in front of the school. Thanks for helping with the beautification of our community.

Be sure to take a look at the following school district web site for our building and athletic events.

[www.davenportschools.org](http://www.davenportschools.org)

Click on "Our Schools", then hi-light "School Web Sites" and then click on Walcott Elementary or Intermediate. You will be able to see our calendar of events there.

Don't forget - Every Wednesday is a one hour early dismissal at 2:35 p.m.

## LIBRARY NEWS

The Walcott Library invites you to stop in to see what new, used books are for sale for gifts for the holidays. We have several John Grisham hard bounds, other popular titles in paperback and hard bound, and lots of children's chapter books, all for 50¢ or 25¢ each. They make good stocking stuffers and exchange gifts. There are also magazines for 10¢, books on CD for \$1, and VHS tapes for free. These items will be displayed through the month of December. Money from the sales goes to fund the children's story hour expenses.

Speaking of story hours, the preschool story times are from 10:30-11:15 on the Fridays of December 4, 11, and 16. The theme for the month is December holidays, focusing on Hanukkah, Christmas, and New Year's Eve. There will be a special holiday party on Wednesday, December 16, for children ages 5-12 from 2:45-3:45 p.m.

The Walcott Book Club will be discussing The Cherry Cola Book Club, by Ashton Lee, on

Monday, December 7, from 7-8 p.m. at the library. The plot involves the efforts of a small-town librarian to keep the library from being closed by the city council because of lack of use. The discussion will be lively as readers learn about the frustrations of encouraging the townspeople to use its library. The chosen book for January is The Weight of Silence, by Heather Gudenkauf, about the abduction of two young girls. The discussion will be led by Deb Moeller and Donna Housley, the books will be available after December 7 at the library for checking out and reading before the next meeting on January 4, 2016. Anyone can join the hour of sharing impressions and insights.

The library will be closed on December 24, 25, 31, and January 1. There will be a substitute librarian at the library on Saturday, December 5, and Wednesday, December 16, so be sure to bring your library card to check out materials. If this library is closed because of bad weather, it will be announced on TV and radio stations for all of the Scott County libraries.

# NOVEMBER 16, 2015 MINUTES

The semi-monthly meeting of the City Council of Walcott, Iowa, was held on Monday, the 16th day of November, 2015, at Walcott City Hall. Mayor John Kostichek called the meeting to order at 6:00 p.m. Council members present were: Tim Koehler, Virgil Wayne Latimer, Lisa Mengler, Jackie Puck, and Jacob

Puck. Absent: None. City employees present: Jeff Blake, Lisa Rickertsen, Linda Rivers, and Tom Schirman.

Approval of Agenda. Mengler moved and Jacob Puck seconded to approve the agenda. Motion carried.

Consent Agenda. Rickertsen reported on the transfer details included in Resolution 2015-40. She also reported the proposed winter maintenance agreement from Scott County, in the amount of \$572.68, for snow removal on the extension of county roads located within our city limits is the same cost as last year. Koehler moved and Jackie Puck seconded to approve the consent agenda including the invoices, Resolution 2015-40 -Transfer of Funds, October 2015 financial reports, and the 2015-2016 Winter Maintenance Proposal with Scott County. Roll call ayes: Koehler, Jackie Puck, Jacob Puck, Latimer, and Mengler. Motion carried.

Approval of Minutes from November 2, 2015. Moved by Jackie Puck and seconded by Latimer to approve the November 2nd minutes. Mengler abstained due to absence from meeting. Motion carried.

Main Street Streetscape Enhancement Project – Approval of Sidewalk Change. Rivers reported on the meeting with the project engineer regarding the request from Denny Puck to raise the sidewalk to help with Puck’s concerns that he has with water continuing onto his property. The written documentation from the engineer states the property owner (Denny Puck) may need to improve the flow in the ditch line at some point in the future, but that is outside the scope of this project. The cost from the project contractor to regrade the sidewalk and reset forms is \$2,000. John Brockmann was present and stated he didn’t feel the City should spend more money and that Pucks could put a quarter turn into their berm. Discussion was held on the cost to reset the forms since some areas need to be regraded upon completion of the gas line relocation. Council expressed they didn’t feel the City should pay for additional cost to reset forms due to utility relocations. Following further discussion, including that the Council had no issues with waiting until spring to complete the sidewalk, Mengler moved and Koehler seconded to table the sidewalk change until a breakdown of costs (resetting and regrading) is received from the project contractor. Motion carried. Rivers was asked to obtain written documentation regarding compaction concerns with the recent utility relocation work.

Building at 1113 N. Main Street – Realtor Contract. The current realtor contract for the building at 1113 N. Main Street, with Nick Bert at Mel Foster, expired November 5th. Jeff Heuer, Ruhl Commercial, was present as requested by the City Council. Heuer reported on some issues with the building being split level and ADA requirements, and requested a one-year contract. Koehler discussed reducing the selling price of the building, which was recently listed at \$180,000. Following further discussion, Koehler moved and Jackie Puck seconded to entertain a proposal from Jeff Heuer for a one-year listing. Motion carried. Heuer will prepare a proposal to present to council at their next meeting.

Stop Sign Request at Intersection of James and Downey Streets. Discussion was held on the request from Korry Kraft to install a stop sign at the intersection of James and Downey Streets. Other residents within the area, Bernard Brus and Andy Brus, expressed they didn’t feel the stop sign on James Street was necessary to control speed. Chief Blake reported he didn’t feel there was excessive speeding on James Street and agreed the stop sign is not necessary. Mengler moved and Jacob Puck seconded to deny the request for a stop sign at the intersection of James and Downey Streets and to request more police presence in the area. Motion carried.

Policy and Administration Committee Recommendation – 2016 Employee Health and Dental Insurance Benefits. Mengler reported on the recommendation from the Policy and Administration Committee (Mengler and Jacob Puck) to move to Wellmark’s EnhancedBlue 1500 Gold Health Insurance Plan, beginning January 1, 2016. Wellmark representative, Jennifer Rice, was also present and reported on the changes moving from the current Grandfathered plan to a new plan. Rice stated once the City leaves a Grandfathered plan, they cannot go back and the new plans are age rated, therefore if the employees remain the same the premium costs will increase each year due to ages. The proposed plan has higher deductibles, coinsurance, and out-of-pocket maximums but will save several thousands of dollars in premiums each year. Jackie Puck questioned if other companies had been researched. Rickertsen responded that rates from other companies were received but two companies with comparable plans had higher out-of-pocket costs and premium savings were not significant, if any. The Committee had agreed to remain with a Wellmark Blue Cross/Blue Shield plan. Mengler moved and Jacob Puck seconded to approve switching to the EnhancedBlue 1500 Gold Plan (beginning January 1, 2016) and increase the deductible reimbursement to \$1,000 and reimburse up to 50% of the coinsurance, at a maximum of \$1,000/year, for employees hired after October, 2009. Motion carried. All other employee health reimbursements will remain the same.

Phase 2 Environmental Site Assessment/Study at 101 S. Main Street. Rickertsen reported on the email from Elizabeth Kemp, MSA Professional Services, regarding the Phase 2 assessment costs. Koehler moved and Mengler seconded to approve hiring MSA Professional Services for the Phase 2 environmental site assessment study, not to exceed \$8,340. Motion carried.

Resolution 2015-41, Obligating Funds from the Consolidated Walcott Urban Renewal Area. Rickertsen reported the Resolution obligates scheduled payments up to \$49,300 with respect to the City’s Development Agreements with Iowa 80 Truckstop Inc., Ossian Walcott Investments LC, JDW Holdings LLC, Sterling Partners LLC, and Eugene Meyer for fiscal year ending June 30, 2017. Jacob Puck moved and Jackie Puck seconded to approve Resolution 2015-41. Roll call ayes: Jacob Puck, Jackie Puck, Mengler, Latimer, and Koehler. Motion carried.

Police Department Report. Chief Blake reported on the status of the new squad and that the 2008 Ford Expedition is ready to be disposed of. Koehler moved and Jacob Puck seconded to proceed with selling the 2008 Ford Expedition. Motion carried. Blake also reported on an upcoming DOT Inspection class he would like to attend with Officer Mayberry.

Public Works Department Report. Approval of Chlorinator Equipment. Council questioned why there were not two bids presented, as stated in city policy, for the chlorinator equipment. Bowman was not present during the meeting so the item will be placed on the next agenda.

Mayors Report. Mayor Kostichek remarked upon communication with the public. It was stated that the minutes are published in the North Scott Press, available on the city website, and posted on the outdoor bulletin board at City Hall. Rickertsen reported that cities are only required to report action (motions/votes) taken during meetings and every detail about discussions are not reported in minutes. The public is encouraged to attend meetings to hear all detailed discussions.

Questions & Concerns. The City extends thanks to the volunteers that put up the Christmas decorations on city poles and at Welcome Park. Eugene Meyer questioned the brush pile at the compost facility. Bernard Brus had questions regarding snow removal. Korry Kraft, who was not present earlier for the discussion regarding his request for a stop sign at the intersection of James and Downey Streets due to a fire call, asked what decision had been made. Mengler reported on the council’s action and Chief Blake stated he has already done three traffic studies in that area. John Brockmann had questions regarding transfers of funds for the Main Street Streetscape Enhancement Project and televising of sewer lines.

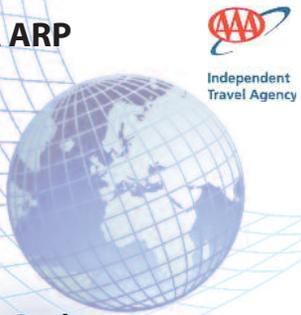

Jackie Puck moved and Latimer seconded to adjourn at 7:28 p.m. Motion carried. All votes on motions were unanimous, unless noted.
