Business Spotlight

Courtyard Estates of Walcott

Courtyard Estates of Walcott is a 40 unit assisted living community offering independent, assisted, and memory care options for seniors and their loved ones. Located on Main St., Courtyard Estates is right in the heart of Walcott, and a quick trip to anywhere in the Quad Cities!

Healthcare providers were hard hit by the COVID-19 pandemic, and assisted living facilities were no exception. In March of 2021, CYE-Walcott brought in a new management team to help re-develop the community for the post pandemic world. With a new management team has come a renewed focus on quality, safety, and fun!

Members of our assisted living community are offered daily activities to stimulate and invigorate minds and bodies. Our community members enjoy socializing during meals and outings. In the past year we have enjoyed trips to the Walcott Day parade, Niabi Zoo, and a ride on the Channel Cat just to name a few.

Don't forget Happy Hour! Every Friday we try to get together and have a drink to celebrate the week. Whether we are crafting our own signature cocktails (Have you tried our Moscow Mules?) or enjoying our own home brewed beer (can you say Marzen?) we find a way every week to bid a fond adieu to the week that has passed.

Courtyard Estates of Walcott is an assisted living community, and you will find all of that there: assistance, life, and community!

Todd Poci, Director, Courtyard Estates of Walcott

Thank You, Walcott Volunteer Fire Department Members

The City of Walcott would like to take this opportunity to thank the members of the Walcott Volunteer Fire Department for providing emergency services to the Walcott community. These members spend countless hours in training and responding to emergency calls at all hours of the day and night.

We would also like to extend a thank you to the Central Petroleum Company for generously allowing their fire department member employees to respond to calls while they are working. This is a valuable contribution to our community.

The Fire Department is currently engaged in an effort to boost membership. If you are interested in joining the department, please stop at City Hall to obtain an application. You can make a positive impact on the Walcott community by becoming a member of this dedicated group of individuals.

Please join us in thanking the Walcott Fire Department members when you see them around the community.

Winter Parking & Sidewalk Snow Removal

If it is necessary to use street parking during a snowfall, the Public Works Department would appreciate your cooperation in adhering to the following Snow Emergency Parking Regulations during all snowfalls:

- All vehicles and equipment shall be parked on the side with even addresses on even numbered calendar days and on the side with odd numbered addresses on odd numbered calendar days.
- If a snow emergency is declared, vehicles and/or equipment may be towed if they are parked in violation of the snow emergency parking regulations.

Residents are reminded that it is the property owner's responsibility to remove snow and ice accumulations promptly from sidewalks. If a property owner does not remove snow and ice accumulations within a reasonable time, the City may do so and assess the costs against the property owner for collection. Also, corner lots are required to clear the snow from the access ramps to allow unimpeded passage for pedestrian traffic. Please plan to have your sidewalks maintained at all times and remember that it is illegal to shovel or blow snow onto city streets. Your cooperation is appreciated!

Calvary United Methodist Church

Submitted by Pastor Joy Mitchell

*For to us a child is born,
to us a son is given,
and the government will be on his shoulders.
And he will be called
Wonderful Counselor, Mighty God,
Everlasting Father, Prince of Peace. - Isaiah 9*

This is a great time of year to invite friends with you to church. Perhaps you've been watching the church from the outside, this is a great time to try church. It's a great time to share why Jesus is important to you, or to ask about the God we believe in. It is a great time to share why your life in Christ, and your commitment to the church is so important. The simple invitation, "Will you join me?" is moving, welcoming, and inviting.

God the Father has shared his love with us through his son, Jesus Christ. Jesus told Peter that he would build the church. Together, as the church, with Jesus as our guide, we get to care for the world. It is a great time of year to offer a little extra love to one another. As we celebrate the season of Advent we wait for Jesus to enter the world. We look forward to Christmas when Jesus came as an infant over 2000 years ago, we wait for Jesus to return at the day and hour that is unknown to us.

Join Calvary United Methodist Church for Christmas Eve service on Dec. 24 at 6 p.m.

This Advent we will be reading through Matthew 1:18-25 each week focusing on a different part of the scripture. We will look to Jesus as our Savior and then as Jesus Emmanuel. We will look at the faith he gives us as we seek to respond faithfully, finally we will look at the fulfillment of the promise that has been offered to us. What a wonderful gift.

We will celebrate Christmas at our Christmas Eve service on Dec. 24 at 6 p.m. We sure hope you will join us and continue to bring your family and friends along – we will hear the Christmas story through a series of readings and we will have the opportunity to respond in Congregational Song. We will light up the sanctuary with candles in our hands as we sing silent night. It will be a delightful way to worship the Lord together.

Natalie Paulsen's Leukemia Benefit

Jan. 15, 2022, 5 - 10 p.m. - Walcott Coliseum

Natalie Paulsen is 16 years old and a junior at Assumption High School in Davenport, IA. She has lived in Walcott her whole life. In June of 2021, she was diagnosed with AML Leukemia. She was immediately admitted to University of Iowa Hospitals in Iowa City to start Chemotherapy. Natalie recently completed her fourth round of Chemo and will receive a bone marrow transplant in December. She has been through a lot already and has a long read ahead of her. Her mom, Shonna has not left her side through it all, taking a leave from work. Jayden, her brother, is a freshman at Assumption and is missing them both terribly.

Natalie is beautiful inside and out. She loves to run cross country and spend time with her friends and family. Please help us spread the word and consider giving a donation to help Natalie and her family in their time of greatest need. There will be a benefit on Jan. 15 from 5 – 10 p.m. at the Walcott Coliseum. We are asking businesses, organization, and individuals for donations of items for the silent auction or cash donations. We also need volunteers to help at the benefit.
