10 Signs Your Tree Needs a Trim

You know that it's time to trim your trees when leaves are falling off abnormally, and the branches look like they're trying to escape! But if this isn't an option for you right now (or if it's out of season), there are plenty of other ways to tell. Here are some pretty self-explanatory ways that your tree needs a trim!

Your Tree is Diseased or Dying

If your tree shows signs of disease such as dead branches, leaves that wilt easily or abnormal growth, it may be suffering from a fungal infection. Fungal infections are particularly prevalent in trees that don't receive enough water or sunlight. If left unattended, the disease will only get worse and kill more of your valuable tree.

Dead Branches

Dead branches are an obvious sign that something is wrong with your tree. When you see these hanging on your tree, you know that there is some sort of damage going on. It may be that the branch suffered a break due to weather or some other factor and isn't receiving enough nutrients from the tree anymore. There's also a chance that borers have infested the limb and are sucking up all of its life-sustaining sap. Whatever the case may be, you need to attend to the problem before it spreads into the rest of your tree.

A Wayward Tree is Becoming a Safety Hazard

When trees become damaged or diseased, they need some sort of immediate attention to correct the problem. If you've had a wayward branch or two hit your car on the street below, it may be time for a few strategic cuts. There's definitely no reason for you to wait until someone gets seriously injured before taking care of this kind of problem. Safety should be your number one priority, not the aesthetics of your yard.

The Tree Is Blocking Sunlight From Reaching Your Home or Garden

The sunlight that reaches your property depends heavily on the direction of your property and how many trees you have around. If a tree's branches are obscuring the sunlight from reaching your home, it may be time to consider cutting off some of the branches. Too much shade in your garden can damage plants and affect their growth.

The Tree Is Over-Crowding Other Trees in Your Yard

It can be perilous for trees to crowd each other. Although they may appear like they're all in good health, the lack of sunlight and proper nutrients can affect their growth and cause them to become diseased or die sooner than normal. If you have an overcrowded tree, you should consider trimming the lower limbs and allowing some breathing room for each plant.

The Branches of Your Tree Are Growing Too Low to the Ground

If the branches on your trees are growing low down towards the soil, then they're probably reaching their optimal height and it's time to let them grow again. If you have a significant problem with branches scraping the ground, this is likely a sign that your tree needs to be carefully trimmed so it can return to its optimal height.

The Tree Is Dropping Sap or Fruit on Your Property

One of the biggest problems you'll face with trees is when they leave a mess behind. When trees drop their fruit and sap, it can be hard to clean up and cause damage to your property. Too much fruit or sap on the ground could attract pests such as birds and squirrels that may hurt the tree by scratching up its bark. A good trim can help with this problem.

The Tree Is Growing Too Close to Your House or Power Lines

It doesn't matter what type of tree you have or how healthy it is—trees that grow too close to your house can become a big problem. Not only will they affect the appearance of your home by lowering its curb appeal, but they could also damage the foundation and structure of your home. In some cases, trimming your tree is all you'll need to do, but there are some cases where the only thing you can do is remove your tree entirely.

The Trees Are Obscuring a Natural Scenery

Sometimes you may want to trim your trees back because they're growing too tall and blocking out a scenic view. This is especially the case if you own a property on the side of a mountain, next to some beautiful woods or near water where you like to enjoy nature's wonders. Although pruning isn't always necessary, sometimes it's required to keep the beauty of nature in your yard.

The Tree Is Leaning in One Direction or Another

Although trees are typically robust, they can be damaged by the wind. If your tree is leaning too far one way or another, it may have sustained some damage that you overlooked before. This could potentially cause the tree to collapse during a storm, so it's best to take care of this problem as soon as possible.

Don't get Penalized

Purchase your pet licenses before April 1, 2022, to avoid a delinquent fee. All cats and dogs over six months are required to have an annual city license. The license fee is \$3 per animal and proof of rabies vaccination is required.

Park Reservations

Spring is here and that means the parks will be filling up fast! Reservation forms for park shelters and gazebos must be completed and remitted to the City Clerk's office with a nonrefundable fee of \$35. If you have questions or would like to reserve a park facility, please contact City Hall at (563) 284-6571, ext. 10. Unreserved facilities will still be available to be enjoyed by the public on a first-come, first-served basis.

Golf Cart, ATV, and UTV Use on City Streets

Limited use of golf carts, ATVs, and UTVs are permitted in Walcott with the following regulations:

- Annual permits are required. Apply with the Walcott Police Department, pay a \$25 fee, and provide evidence that you are at least 18 years of age with a valid Iowa driver's license and have a minimum of \$300,000 in liability insurance coverage for this activity.
- Drivers must obey all traffic laws and equip their vehicles with safety equipment, including a slow-moving vehicle sign, a safety flag, and adequate brakes. Golf carts and UTVs require a rear-view mirror and UTVs and ATVs must also have mufflers and an adequate exhaust system.
- All are permitted on city streets from ½ hour after sunrise until ½ hour before sunset, but they are prohibited from using Y-40/Blue Grass Road and Walcott Road/Hwy 6/F58.
- ATVs and UTVs may be operated during prohibited hours to perform snow removal activities. Golf Carts may only be operated between March 1 and November 30.
- ATVs and UTVs are required to provide proof of registration with the State of Iowa prior to applying with the city.

Permits expire annually on December 31, regardless of the date of issue. Application forms are available online at www.cityofwalcott.com.

Organization Contacts

Is there a new contact person for your local organization? Local organizations are asked to call City Hall or email contact changes to lrickertsen@cityofwalcott.com so updates can be made to the organization listing on the City's website.

PTA Fun Night

Friday, April 1, 6-8 p.m.

After two long years, the Walcott Elementary PTA is able to once again hold the MOST FUN event of the year, the school carnival!

All of the fun, games, prizes, and food are made possible by the generosity of businesses, organizations, sponsors, donations, and event volunteers. Please email WalcottPanthersPTA@gmail.com or call (563) 528-5250 for specific details. You can also follow us on Facebook by searching "Walcott Panthers PTA Group" to get updates about all of our events.

Thank you from the Buffalo Food Pantry

The Buffalo Food Pantry would like to thank all of the organizations and individuals that supported us throughout the year.

The Buffalo Food Pantry serves the area from Interstate 280 west to Muscatine County and Interstate 80 south to the Mississippi River which includes the cities of Walcott, Blue Grass, and Buffalo and relies solely on donations.

With your help, in 2021, the Pantry served 700 families, containing 2,343 people.

If you would like to make a donation, you can drop-off your donations at Calvary United Methodist Church in Walcott or to Larry Smith, 224 E. James St., Walcott.

For those in need, the Pantry hours are Tuesdays 9 a.m. - noon and Thursdays from 5 - 7 p.m.

Thank you for all your support,
Respectfully submitted by Larry Smith, Finance Officer

"This, then, is how you should pray:

*'Our Father in heaven,
hallowed be your name,
your kingdom come,
your will be done,
on earth as it is in heaven.
Give us today our daily bread.
And forgive us our debts,
as we also have forgiven our debtors.
And lead us not into temptation,
but deliver us from the evil one.'"*

Matthew 6:9-13

Have you ever found yourself reciting something you've recited hundreds of times and yet not registering the meaning of the words with your brain, heart, and soul as you say them? This happens to most of us in different seasons of life.

The Lord's prayer was given to his disciples by Jesus. They were asking him to teach them to pray, and these are the words he gave them. They were then passed down to us. This is a prayer one will find said in churches across the globe, because it is the model of prayer Jesus offered. It is perfect prayer to pray on a daily basis.

Lent begins with Ash Wednesday on March 2. We hope you will join us as we worship our Lord. The first Sunday of Lent, March 6, through the rest of the Lenten season, we will be taking a deep dive into the meaning of the Lord's prayer. We will look at each phrase, paying attention to the depth of the meaning that God gave us as his model of prayer. It is a beautiful prayer, and I hope you will join us, as we draw closer to Jesus together.

Bless you, each and every one,
Pastor Joy Mitchell

Souper Bowl Fundraiser

Calvary United Methodist Church has an annual tradition involving soup. Instead of celebrating Super Bowl Sunday, we celebrate SOUPER Bowl Sunday. A table in social hall was set up with information about each team playing in the Super Bowl. It included some facts about soup and hunger in the U.S. Members were asked to bring cans of soup and place them on the side of the table that housed the team they hoped would win Super Bowl. This year Calvary collected 938 cans of soup for the Buffalo Food Pantry. Incidentally, most of the soup cans were on the side of the LA Rams.

Special thanks to our youth Sunday School class and their leader Grant Allison. They sold birdhouses they made from gourds. With the money they collected, they were able to purchase and donate 526 cans of soup!

We are preparing a display of baseball memorabilia, including uniforms, photos, old baseballs, bats, etc., to support the Walcott Day theme of Field of Dreams. Old Ertl toys would be appreciated as well. We also want to honor the woodworking members of our community with a display of small, hand-made items. If you have anything that you could loan us, you can contact Karen, Karla, or Sherry at the numbers above. We are also working on a book on one-room schoolhouses in western Scott County and hope to have it published before July. For a future display, we're collecting photos and artifacts of past businesses and old homes as they appeared in the past. If you have items or photos to let us borrow, please contact Karen or Sherry. These items will be returned to you unless you choose to donate.
